

**“The longer I live, the more I realize
the impact of attitude on life.**

**Attitude, to me, is more important than facts.
It is more important than the past, than education,
than money, than circumstances, than failures, than
successes, than what other people think or say or do.**

**It is more important than appearance, giftedness, or
skill. It will make or break a company...
a church... a home.**

**The remarkable thing is we have a choice every day
regarding the attitude we will embrace for that day.
We cannot change our past. We cannot change the
fact that people will act in a certain way.
We cannot change the inevitable.**

**The only thing we can do is play on the one string
we have, and that is our attitude...**

**I am convinced that life is 10% what happens to me,
and 99% how I react to it.**

And so it is with you...

We are in charge of our Attitudes.”
